

5 things Israel *can do* **today** to **stop impeding Gaza's economy**

1.

—
Allow marketing of processed foods from Gaza in the West Bank, Israel and abroad
—

2.

—
Remove restrictions on exit of agricultural produce from Gaza to the West Bank & Israel
—

3.

—
Permit laborers to exit Gaza to work in Israel
—

4.

—
Allow entrance of “dual-use” materials needed for industry, agriculture and fishing
—

5.

—
Let people travel for work meetings & professional development
